I would like to install a satellite dish at the following location on my home:

\_\_\_\_\_ Rear  
\_\_\_\_\_ Back Left Side (Facing home from street)  
\_\_\_\_\_ Back Right Side (Facing home from street)

The satellite dish will be attached to the following section of my home:

\_\_\_\_\_ Fascia  
\_\_\_\_\_ Roof  
\_\_\_\_\_ Chimney  
\_\_\_\_\_ Other \_\_\_\_\_

A satellite dish may not be installed on any portion of the home that is visible from the street in front of the home. This portion includes the area from the side yard return walls forward. A chimney installation must not be visible from the front of the home. Homeowner may attach a drawing showing the proposed installation location to assist in the review of this request.

***All antennae and satellite dishes are subject to provisions outlined in Article VIII, Section 16 of the Master Declaration and prior Design Review Committee approval.***
