

GREER RANCH COMMUNITY ASSOCIATION
NOVEMBER 2018
PRESIDENT'S UPDATE

Thanksgiving is almost upon us, and we all have much to be grateful for! In the midst of whatever we might be walking through, there are always things that we can appreciate and be thankful for. As we prepare to celebrate next week with friends and family, take time to look at your lives and the people and things in them that have made your life fuller. Also, in the busyness involved in preparation for our Fall and Winter holidays, try to make extra time to spend with friends and family. Also try to take time to take care of yourself. Don't "avoid" rest. Sleep is crucial to all of us, but rest is just as important! Sometimes just taking time to sit and read, watch TV or even just talk with your family and friends can be just as restorative as a good night's sleep. It can even give you the mental, emotional and physical stamina to push through the very busy times!

And speaking of busy times, we have been busy at work here at Greer Ranch Community Association! Our planting projects on Aloe, Cherry Bark and Jordan Park are complete, and we will be starting on Pecan Tree this week! There will be 3 additional smaller landscape installations throughout the Community between now and the end of next month, and then we will be done until then end of winter (until the threat of "freeze" is over).

We have also just completed the painting projects for the interior and exterior of our Clubhouse, Pool House and Guardhouses. They all have a fresh new look now! If you are planning to reserve the Clubhouse for a holiday party, you should probably contact the Management office at your earliest opportunity, as the Clubhouse is already starting to book up for December.

IMPORTANT ENTRYWAY INFORMATION

In my Fall Message from just a few weeks ago, I mentioned that we would be resurfacing our East and West entrances. At this time, we are scheduled to have the work performed the week of December 3rd – 8th. The East entry will be closed Monday and Tuesday (the 3rd & 4th) for resurfacing and striping will be done on Wednesday (the 5th). The entry will reopen later that day once the striping is complete. The West entry will be resurfaced on Thursday and Friday (the 6th & 7th) with striping to be done on Saturday the 8th. Once the striping is done at either location, the entrance will be opened by 12:00pm, Noon. We apologize for any inconvenience that this may cause, and hope that the end result will be well worth it! If there are any changes to the schedule, we will have Management send out email blasts. We will also have our Social Media administrators make posts reflecting any changes. Management will also push out change notices on our phone App. If you have not yet downloaded the new and improved App, just visit our Home page at mygreerranch.com and click on Download Our App (this App cannot be downloaded at the App Store or Google Apps). Not only will you be able to access the Greer Ranch website from your phone, but you will be able to receive important and informational messages directly on your phone (you will need to allow "push notifications"). We heartily recommend this App, as it appears that many Greer Ranch resident's email address are kicking back email notifications sent by our Management. If you have any questions regarding downloading the new App, please feel free to call the Greer Ranch office.

Wishing you and yours a wonderful (and tasty) Thanksgiving!

Yours Very Truly,

Jonathan Ingram

President
Greer Ranch Community Association
