## Social Committee Summer Event Proposals

### **August:**

#### **August 3: Grass Seats Movie Night**

I have a projector and will use white sheet as screen, I also have a PA system.

Movie: To be voted on FB

Chosen Greer Club to operate concession

#### **August 17: Adult Casino Night**

Found Casino Company that will provide 5 tables, dealer, chips and décor I know we will get a good turn out if we can provide/sell alcohol, i.e. Beer/Wine only.

Festivities to place under white tent in clubhouse parking lot as I'm led to believe that's acceptable as long as alcohol is not consumed IN clubhouse. As to other HOA guidelines and legalities I'm getting conflicting information.

So here is what I propose: selling advanced tickets for \$20.00 a person that includes \$500 in chips and 2 drinks (soda or water). Resident(s) to sign Hold Harmless Waiver if he/she chooses to drink alcohol in Clubhouse parking lot. Security should be present as crowd control. If Board can advise more on how they would like to have set up I would welcome the parameters. Harveston has these Casino nights and they are very popular. I have pitched this to many residents and they are "ALL IN" on this idea.

Thank you for your consideration-
